Such sales are also governed generally by Federal and State statutes, the City of Houston Charter, and other sections of the Code of Ordinances where specific circumstances so require. Although the instructions, terms, and conditions contained herein do not constitute an ordinance, resolution, or motion binding upon the City, a bidder submitting a bid on a sale conducted pursuant to Section 2-236 will certify by signing the bid form that the bidder has read the provisions contained herein and that the bidder agrees that the provisions will be strictly enforced in all respects.

SECTION 2 - INSTRUCTIONS TO BIDDERS

2.01 Preparation of Bid Forms:

- A. General. Separate bids must be submitted for each parcel of land offered by the City for sale. A bid must be submitted on the form provided by the Department of Public Works and Engineering. Such bid form must be personally signed by the bidder, submitted in duplicate, accompanied by the Bid Deposit and accompanied by a signed Affidavit of Non-Interest. If the bidder is a corporation or other business firm, the bid form must be signed by a person authorized to bind the corporation or business firm, submitted in duplicate, accompanied by the Bid Deposit, and accompanied by a signed Affidavit of Non-Interest. Both copies of the bid form must be submitted together in an envelope sealed and clearly marked as follows: **“BID FOR PURCHASE OF CITY OF HOUSTON REAL ESTATE - PARCEL NO. (City Parcel Number).”**
- B. Amount of Bid. Under all circumstances, in the spaces provided on the bid form for entering the bid amount, the bid must be expressed in dollars and cents. This provision applies whether the bid is based solely on cash or on cash and the conveyance of land pursuant to subparagraph (b) of Section 2-236 of the Code of Ordinances.
- C. Land Offered by Bidder. When the City specifically solicits a bid based on a consideration all or part of which is the conveyance to the City of land pursuant to subparagraph (b) of Section 2-236 of the Code of Ordinances, the following additional instructions shall apply:
 - (i) Enter the following statement on the bid form in the space immediately above the bidder’s signature line: **“THIS BID IS SUBMITTED IN ACCORDANCE WITH SUBPARAGRAPH (b) OF SECTION 2-236 OF THE CODE OF ORDINANCES, AND I HEREBY AGREE TO CONVEY TO THE CITY OF HOUSTON GOOD, CLEAR, AND MERCHANTABLE TITLE TO THAT TRACT OF LAND DESCRIBED IN EXHIBIT 1, ATTACHED HERETO AND MADE A PART HEREOF, WHICH TRACT IS VALUED AT \$(Amount).”**
 - (ii) Behind each copy of the bid form, attach a copy of the City of Houston field notes describing the parcel of land to be conveyed to the City, and label this page: **“EXHIBIT 1 TO BID PROPOSAL ON CITY PARCEL NO. (City Parcel Number).”**
 - (iii) Should the expressed value of the tract offered by the bidder exceed the dollar amount of the bid and should such bid be accepted by City Council, the City will at the time of closing pay to the selected bidder the difference between the amount of the bid and the expressed value of the tract offered by the bidder to the City.
 - (iv) Request that the Department of Public Works and Engineering provide any special instructions, terms, or conditions that might apply to a bid pursuant to subparagraph (b) of Section 2-236 of the Code of Ordinances on this particular sale.

2.02 Bid Deposit. *Each bid must be accompanied by a deposit of at least ten percent (10%) of the total dollar amount of the bid.* The bid deposit must be in the form of a cashier's check, certified check, or money order payable to the City of Houston, or a bond with a corporate surety authorized to do business in the State of Texas. A sample of a bidder's bond is attached hereto as *Exhibit B*. Any other bond form will be subject to rejection if, in the opinion of the City Attorney, it fails to secure the City in the performance of the specified terms and conditions of the sale. The opinion of the City Attorney shall be final.

When a bid is submitted in accordance with subparagraph (b) of Section 2-236 of the Code of Ordinances, should the deposit exceed the cash portion, if any, of the amount bid, any cash overpayment will be refunded to the selected bidder at the closing.

2.03 Reserve Price: A "Reserve Price" has been set for each parcel of land offered for sale. The Reserve Price is the lowest price at which the City is willing to sell the parcel of land. The Reserve Price is based on many factors, including but not limited to current real estate market conditions, appraisals, if any, and comparable sales in the area. The Reserve Price for properties over \$50,000 is not disclosed to the public prior to the closing of the sale of the property.

2.04 Receipt and Opening of Bids. Sealed bids are to be delivered to the office of the City Secretary, in the City Hall Annex, in accordance with the instructions contained in the City's SEALED BID SALE NOTICE. These bids will be opened at the time stated in the SEALED BID SALE NOTICE or as soon thereafter as may be practical, at the discretion of City Council.

2.05 Determination and Notification of the Selected Bidder. At a City Council meeting held after the date on which bids were received, City Council will consider a tabulation of the bids and a recommendation from the Department of Public Works and Engineering as to the highest qualifying bid. The formal award to a selected bidder will be made by an ordinance authorizing the Mayor to execute and the City Secretary to attest a deed conveying to the selected bidder the land offered by the City for sale.

2.06 Closing Arrangement:

A. Conveyance by the City. When the deed has been executed and is ready for delivery, the selected bidder will be notified where to accept delivery of the deed and a certified copy of the ordinance. Upon delivery of these instruments, the selected bidder will be required to make payment in full by cashier's check, certified check or money order payable to the City of Houston. Additionally, a \$50.00 deed recording fee is required at the time of closing in the form of a separate cashier's check, certified check or money order payable to the City of Houston.

B. Payment of Consideration by the Selected Bidder:

- (i) If the selected bid was based solely on cash consideration, the selected bidder will be required at the time of closing to pay the difference between the full amount of the bid and the amount of the bid deposit. If a bidder's bond was furnished as the bid deposit, the full amount of the bid will be due and payable at the time of closing. Payment of any cash consideration must be made in the form of a cashier's check, certified check, or money order payable to the City of Houston.
- (ii) If the selected bid was based wholly or partially on the consideration of

the conveyance to the City of land pursuant to subparagraph (b) of Section 2-236 of the Code of Ordinances, the selected bidder will be required at the time of closing to execute a deed, approved as to form by the City Attorney, conveying to the City the land offered as consideration. If the selected bid was based on cash in addition to the conveyance of land, payment of such cash amount must be made at the time of closing.

- 2.07 Affidavit of Non-Interest. City of Houston Charter, Article VII, §4, and Code of Ordinances, Section 15-1, make void any contract in which a member of City Council, officer of the City of Houston, or employee of the City of Houston has a direct or indirect pecuniary interest. An Affidavit of Non-Interest, attached hereto as *Exhibit C*, must be submitted as part of the bid documents.

SECTION 3 - TERMS AND CONDITIONS OF SALE OF SURPLUS CITY LAND

- 3.01 Rejection of Bids. City Council reserves the right to reject any or all bids at any time prior to the passage of the ordinance authorizing the Mayor to execute and the City Secretary to attest a deed conveying to the selected bidder the land offered by the City for sale. A bid will be automatically rejected when:
- A. It is not accompanied by at least the prescribed amount of the bid deposit as specified in Section 2.02;
 - B. It is not submitted in duplicate;
 - C. Both copies of the bid form are not signed as specified in Section 2.01 (A);
 - D. It is not submitted on the City's bid form;
 - E. It is submitted after the time and date specified in the City's SEALED BID SALE NOTICE for receipt of bids;
 - F. It is not accompanied by a signed Affidavit of Non-Interest.
- 3.02 Non-Payment of Brokerage Fees. The City will not pay a brokerage or real estate agent's fee on the sale of City land.
- 3.03 Bidder's Withdrawal Rights. Under no circumstances will a bidder be entitled to withdraw the bid once the City Secretary has received the bid deposit.
- 3.04 City's Rights Upon Failure of Selected Bidder to Close the Transaction. When the deed conveying the parcel offered for sale by the City has been executed by the Mayor and is ready for delivery, the selected bidder will be notified by mail where to call to accept delivery of the deed. If for any reason the selected bidder should fail to render full payment of the consideration upon which the bid was based within thirty (30) days after the mailing of the aforesaid notice, such failure shall be construed as a refusal to pay the consideration due the City under the terms of the bid and as a refusal to accept the City's deed. Should the selected bidder for any reason fail or refuse to close the transaction within the thirty (30) day period, the City shall have the right, at its option, to retain the bidder's deposit or, if a bidder's bond was furnished as the deposit, to be paid the amount of the bond by the bonding company, the amount of the deposit or bond being agreed upon as liquidated damages because of the inconvenience of ascertaining the actual damages and the uncertainty thereof. In addition to the foregoing, it is understood and

agreed that the City shall have the right, at its option, to pursue any and all other remedies available to it at law or in equity, including, but not limited to, the right to demand specific performance on the part of the selected bidder. If the City is successful in enforcing the right to specific performance, it is understood and agreed that upon the City's demand, the selected bidder shall pay to the City reasonable attorney's fees incident thereto.

- 3.05 Conveyance by the City. Subject to its right to reject bids under Section 3.01, the City shall tender an executed deed conveying the land offered by it for sale within one-hundred-twenty (120) days after the date of passage of the ordinance determining a selected bidder. Failure on the part of the City to tender such deed within the one-hundred-twenty (120) day period shall entitle the selected bidder to refuse to close the transaction by giving written notice to the Director of the Department of Public Works and Engineering. Upon receipt of written notice of refusal, the City will refund the selected bidder's deposit. Neither the City nor the selected bidder shall be liable to any party in any respect as a result of such refusal to close the transaction under this circumstance.
- 3.06 Bidder's Duty to Inquire as to Quality of Title. Each bidder shall be solely responsible to inquire as to the quality of the title of each parcel offered for sale by the City.
- 3.07 Rights of Person in Possession. If the land offered by the City for sale, whether improved or unimproved, is, or appears to be, in the possession of any person whomsoever, each bidder, before submitting a bid on the parcel, shall satisfy himself as to the rights, if any, of the person in possession. A selected bidder shall not be entitled to refuse to close the transaction because of the rights of any person in possession on the date the bid was submitted.
- 3.08 Ad Valorem Taxes. Should there be any tax payments due, it is specifically understood and agreed that the selected bidder will be purchasing the parcel subject to such tax liabilities and will be responsible for payment thereof. By acceptance of a deed from the City of Houston, the selected bidder is put on notice that the land conveyed to him will thereafter be subject to assessment for all taxes.
- 3.09 Conveyance Instruments. The deed conveying land offered by the City for sale will be based on the description of the land prepared by the Department of Public Works and Engineering, or on such other legal description as may be approved by the City Attorney. The deed shall be executed and acknowledged on behalf of the City by the Mayor (or in the Mayor's absence, the Mayor Pro Tem) and attested by the City Secretary under the City Seal. The name of the grantee in the deed shall be the same as the name on the bid form of the person, corporation, or other business firm submitting the bid. The deed shall be in the form commonly referred to as a "*Special Warranty Deed*" under which the City will warrant title ". . . by, through, or under itself, but not otherwise . . . ," and the conveyance shall be subject to all easements, public utilities, restrictions, covenants, conditions of record, and any other special restrictions specified in the bid proposal.
- 3.10 Environmental.
- A. Environmental Testing

Worker's Compensation Insurance as required by laws and regulations applicable to and covering employees of Bidder, its contractors, consultants or agents engaged in the performance of the Testing.

Employer's Liability Insurance protecting Bidder against common law liability, in the absence of statutory liability, for employee bodily injury arising out of the master-servant relationship with a limit of not less than Two Hundred Fifty Thousand and No/100 Dollars (\$250,000.00) each occurrence.

- B. Billboard Restrictions. Any conveyance of land offered by the City for sale will be subject to a restriction against the erection of billboards. The restriction shall be embodied in the conveyance deed by the City in clauses substantially similar to the following:
